*The presentation will be followed by a brief overview of cyber 'do's and don'ts from legal expert Christopher MacRoberts who is a Partner at Clyde & Co's Johannesburg office. MacRoberts is an experienced litigator and specialist in cyber risks and data protection, financial lines insurance, professional indemnity and directors' liability.

About the Speaker:

Matthew van Maasdyk

Matthew van Maasdyk is a Candidate Legal practitioner at Clyde & Co. He holds a Bachelor of Arts(BA), a Bachelor of Laws(LLB) and a Master of Laws (LLM) specialising in Maritime Law from the University of Kwa-Zulu Natal.

He was awarded an EMC scholarship in 2022 and went on to complete a Master's thesis on port sector cyber resilience. His talk will present his research findings to provide an industry snapshot of cyber risks facing the port sector in South Africa, and outline regulatory and best practice requirements for training a cyber-aware workforce and implementing cyber reliance within organisations.
